Once you have completed the form please either email it to education@teenagecancertrust.org or post it to

Education Team
Teenage Cancer Trust
3rd Floor, 93 Newman Street
London, W1T 3EZ

Our Education team run a pioneering programme providing free information, education and advice about cancer, prevention and healthy living that reaches around 200,000 students and teachers across the UK each year. Whether through a one hour, ready-made PSHE lesson, or at an assembly, Teenage Cancer Trust helps young people learn about how to spot the signs of cancer and what it is like to be a young person with cancer. The talks are tailored for each year group and are kept as light-hearted as possible and are always well received. If you would like more information please contact the Education Team on 020 7612 0370 or email education@teenagecancertrust.org.
